FNP system

FNP number : 1174

Index FNP : S003

Last publication : 2024/12/04

State : PUBLISHED

Supplier : MAESTRIA

Total thickness : 240 µm

public comment EN : July 3rd, 2024 : First publication of the system. FNP1174 system succeeds to the FNP1064 system after "PRIMODUX H" base reformulation in "PRIMODUX H v01" to substitute MIBK in the solvent phase (hardeners are not reformulated but commercial trade name also changed to avoid confusion). DT/TEGG note ref. D309524000703 [A] validated the qualification maintaining of all the FNP systems concerned. Group 210 for "outdoor decontaminable corrosion protection" is activated.

Utilities type : PARC NUCLEAIRE

Technical sheet : FNP1174_ENG_R16_june 2024.pdf
